

Sportsman's Club of Battle Creek

General Rules of Conduct

1. Membership cards must be carried at all times while on the club premises.
2. No minor member children are allowed on the grounds without a parent or guardian.
3. All shooting range usage is governed by posted range rules and Michigan and Federal Laws.
4. The club combination is not to be given to any non-members.
5. The gate needs to be closed and locked when entering and exiting the club except during open to the public club events.
6. Club facilities can only be used by a member's immediate family (self, spouse, & minor children).
7. The clubhouse is the only facility on the premises that can be reserved by a member. To reserve the clubhouse for personal use, a member must have a full year of membership on record and must present their request at a regularly scheduled board meeting in person. The ranges cannot be reserved for personal use.
8. Each member is only allowed two non-member guests using club facilities at any one time.
9. All children using the play area will be supervised by a parent or responsible adult.
10. Dispose of all garbage in designated containers. Please keep our club grounds clean.
 - a. Discard cigarette butts only in designated containers. If you are afield, pack them out or field strip them so they will bio-degrade.
11. Anyone using the club is required to clean the club premises, secure club grounds & buildings, and leave the premises in a clean and orderly state. Garbage containers must be emptied into the dumpster and the bag liner replaced. Do not put liners in the garbage cans on the ranges. Leave it better than you found it.
 - a. The furnace and cooking stove are only to be used for club functions or reservations.
 - b. There is wood for the wood stove outside. If you start the stove, please ensure it is out before you leave, and the floor is swept up.
 - c. Shut off all utilities & lights when you leave the clubhouse.
12. No smoking or drinking alcohol during the General Membership/Board Meeting.
13. No consumption of alcohol in excess on club property. Anyone who appears intoxicated or under the influence of unlawful substances will be escorted (driven) from the property.
14. Campfires are permitted only in the designated fire ring areas only and must be extinguished completely prior to being left unattended.
15. Hunting the club property is a benefit of being a club member (spouse or minor child included). In order to do so, you must be a current member with at least 1 full year of membership on record.
 - a. Hunting blinds or stands will not be permanently attached. No blinds will be put up more than two weeks prior to the hunting season and all will be removed within two weeks after the close of the hunting season, whatever season it may be.
16. When the clubhouse is reserved, the ranges remain open. Any exception to this rule will be posted.
17. ATV and off-road vehicles are prohibited except during club maintenance. An Executive Board Member may make individual exceptions, in writing, for adult club members in good-standing only.
18. Anyone caught stealing from, vandalizing or destroying club property will automatically face prosecution, restitution, and membership dismissal.
19. Anyone using the club must obey the rules and by-laws established by the Board of Directors; failing to do so will result in membership dismissal.
